5. DENIKA COAKLEY

Working with Britney Berrigan was an absolute pleasure. As first time home owners we were unaware of most of the buying process. Britney took time explaining every detail, making us feel very comfortable before we started our search. She kept in full contact even when I would email her at all hours of the night. She made it known she was on our side and would do her best to find us our perfect home. And with two small children we had a lot of needs. I had a million and one questions and she took time on all of them. I highly recommend her and have passed her name on several times. We are so happy with our new home and when we buy again she will absolutely be our agent.

6. JANNETTE & VINCENT

We are so grateful we chose Britney to sell our North End condo. She is an expert in the area and was able to articulate its strengths to buyers in a clear and compelling way. More importantly, she is absolutely lovely to work with: she's professional, friendly, and helpful! We had some stressful moments along the way, but Britney was always there to talk us through the details (and hold our hands :). We have recommended her highly to our friends and family, or indeed anyone looking to buy or sell a property!
